Well, whatever.

It's my first time having an honest conversation with a human.

I... Um...

Information is important. It's super important.

Good...

Haha

I... I see...

What is it?

I'll ask you right away, Shido.

I've never seen a place like this before.

Ahh.

Where is this place?

This is a classroom... in the school... well, a place where students in the same generation as me study.

You sit on the seat over there.

What?!

The only people she's seen are people from the AST, huh?

I see... People on the street evacuated when she appeared...

This is a joke, right...? There are almost forty of them?!

It's true.

!

Err...

Hm?

Hey...

I'll need one if I have someone to talk to, I guess.

I see.

Huh?

What do you want to call me, Shido?

Give me a name!

A traditional and refined name would be suitable for her.

SORRY! I COULDN'T THINK OF ANY OTHER NAMES!

Hey, Kawagoe! Isn't Misako the name of your divorced wife?!

Yes, for example ...

All hands, bring up all the possible names for her right now!!

The moment I noticed I was born into this world, the Mecha-mecha squad was there.

Is that how it is...?

Those annoying people swishing through the air right now.

Annoying...

The Mecha-mecha squad?

Huh? What?

Shido! It's your chance!!

Ahh...

The AST, huh?

Take the next step and invite her on a date!!
